

Boys Electric Train

A mother was working in the kitchen listening to her 5-year-old son playing with his new electric train in the living room. She heard the train stop and her son saying, "All of you sons of bitches who want off, get the hell off now...cause this is the last stop! And all of you sons of bitches who are getting on, get your asses in the train... cause we're going down the tracks."

The horrified mother went in and told her son, "We don't use that kind of language in this house. Now I want you to go to your room and you are to stay there for TWO HOURS. When you come out, you may play with your train...but I want you to use nice language."

Two hours later, the son came out of the bedroom and resumed playing with his train. Soon the train stopped and the mother heard her son say..."All passengers, please remember to take your belongings with you. Thank you and hope your trip was a pleasant one. We hope you will ride with us again soon." She heard her little darling continue... "For those of you just boarding, remember, there is no smoking in the train. We hope you will have a pleasant and relaxing journey with us today."

As the mother began to smile, the child added, "For those of you who are pissed off about the no smoking, see the bitch in the kitchen...."

Falling Slut

One day, a blonde who lived on the 12th floor of a high-rise apartment building was out on her balcony, flapping the bedsheets to air them out, when suddenly a great gust of wind caught the sheets and sent her over the edge, plummeting to her death.. "Oh, shit!" the woman thought, "what a stupid way to die."

Without warning, a man on the 10th floor balcony stuck his arms out into the air, catching the woman. Delirious from shock, the woman shouted "Oh, thank you! You saved my life, thank you!"

The man replied "Do you suck?" Stunned at this, the woman said "No, I don't suck!"

And with that, the man let go of her in the air. "Shit!" the woman thought as she began to plummet again. Suddenly, another set of man's arms grabbed her on the 9th floor.

"Thank God!" she screamed. " I would have died except that!" The man asked "Do you fuck?" Absolutely aghast at the question, the woman answered "No, I don't fuck!"

Once again, the arms that held her safe were no longer there. Falling again, the woman thought that she would surely die. Just then, a set of arms stretched out from the 7th floor. Not believing her luck, the woman shouted "I suck! I fuck!"

"Slut..." the man said....and dropped her.
